What Threatens Your Powersport Unit?

Adrenaline should come from your own adventures, not from the realization your powersport unit has been stolen. Let **iA American Complete Powersport Theft Protection** keep you from becoming a statistic. Whether on water, terrain, or snow, know your powersport unit is protected.

PROTECT YOUR WALLET:

\$3500 Set Cash Payment: If your unit is stolen, not recovered within 30 days, and deemed a total loss by your insurance company, you will be paid the benefit amount shown on your warranty or the NADA "clean trade-in value" of the unit at the time of loss, whichever is less.

\$1000 Insurance Deductible Reimbursement: If your unit is stolen and recovered within 30 days, but not deemed a total loss, you will be reimbursed for either the cost or repair, or your insurance deductible, whichever is less.

See your iA American Complete Powersport Theft limited warranty for complete coverage details.

INCREASED RESALE VALUE:

Your Coverage Can Be Transferred: Your Complete Powersport Protection is transferable. If you decide to sell your unit, the new owner can enjoy the benefit of added security, and you may enjoy the benefit of increased resale value.
